

MINUTES August 2026 NFARC/Alachua EOC Radio Club Meeting

(Minutes graciously provided by Alachua EOC Radio Club Treasurer, Mark McDow)

Gordon, Earl M, Brett hosted, kn4zuj, Rosemary, Dean, Brian kq4bwh. Susan Halbert joined.

EOC status in case of storm

Brett Ham tools using AI

He made a driving route map and combined it with a map of repeaters near it, then a Chirp file to preload the radio.

Plug for UV5R mini has 999 channels for memory

Discussion about fully autonomous stations permissions and about the monitoring of frequencies.

Correction by Gordon, Asked by Rosemary, moderated by Brett

Making an AI trained on fixed radio user manuals as authorities

Making a local, no internet, AI that could be used during emergency.

Possible future meeting until EOC, Gordon can ask about school he teaches at.
